

### **How to Contribute to HIOC:**

- HIOC respects the fundraising "culture" of each faith community, and the methods each use to solicit for various causes. Some examples are:
  - Soliciting contributions from the congregation, and sending a check to HIOC.
  - Encouraging the congregation to send their individual contributions to HIOC.
  - Contributing to HIOC from a congregational budget for outreach.
  - Pledging to HIOC for 2012, and making periodic payments over the year.
    - For all money that is pledged, IHN can borrow against that commitment to free up money for this winter.
  
- Please make checks payable to "HIOC" and send to the address below. At present no provision has been made for credit card payment.
  
- For the 2012 fundraiser to support the Utilities Assistance Program administered through IHN (Interfaith Hospitality Network):
  - Donations will be accepted throughout the 2012 calendar year.
  - One lump sum, or a series of payments can be made.
  - Pledges are also accepted, and may be paid as the congregation chooses.
    - Once the pledge is made, IHN is able to borrow against it in order to free up money right away.
  
- Please send all contributions to:
